

POWER COUNTY, IDAHO  
BOARD OF POWER COUNTY COMMISSIONERS  
RESOLUTION 2010-08  
PUBLIC RECORDS FEE SCHEDULE

WHEREAS, the Board of County Commissioners of Power County Idaho, pursuant to Idaho Code Section 9-338, hereby establishes a fee schedule for a public records request. Pursuant to Idaho Code Section 9-338(8)(a), that if any request for records involves more than 100 pages of paper records; or if the request includes records from which non-public information must be deleted; or the request will involve actual labor associated with locating and copying documents for a request which exceeds two person hours,

That Power County shall charge and collect, in advance of accepting the public records request, the sum of 50 cents per page for the estimated number of copying pages, and the amount of 25 dollars per hour for the estimated time necessary to process, locate and copy the documents.

Upon receipt of a request for public information, the entity receiving the request shall make an estimate as to the time and pages involved, and shall submit a bill to the requesting party, requiring advance payment. The requesting party shall be responsible only for the actual costs at the above rates, and any amount shall be adjusted by either refund or bill following the location, copying and production of documents.

DATED this 28 day of June, 2010.
